## The 2006 IT Forum Is Designed To Help You Develop Your Business Relationship With Fort Detrick

The Fort Detrick Business Development Office has organized an opportunity for you to learn more about the Fort Detrick Garrison and Mission Partners and their Information Technology needs. Your IT company can learn more about these commands and what they use, don't use, and their points of contact.

August 7th, from 12:30 - 3:30 p.m. hear from the commands at the post about their needs and how you can help them. You will also learn the right contact with whom to build a business relationship. Let the Fort Detrick Business Development Office help you find business opportunities with Fort Detrick. Join us August 7th!
